

Since 1997, Fountain of Praise has hosted Effective Worship Seminars, one of Nigeria's foremost worship conferences.

Our vision has been and remains to help in enhancing the level and understanding of worship in local assemblies so that people can be empowered and inspired to engage their Maker individually and corporately.

Our seminar tracks are designed to make participants locally relevant and globally aware. Effective Worship Seminars is a not for profit, non-denominational enterprise committed to the above stated vision.

We have hosted scores of these conferences in Lagos, Warri, Abuja, Ibadan, Kaduna, Nakuru (Kenya), London, Baltimore and New York engaging renowned resource persons such as Graham Kendrick, Bob Fitts, Lenny Leblanc, Lynn Deshazo, Panam Percy Paul, Andy Park, Chris Delvan, Kunle Ajayi and many others as facilitators.
